2022 Tax Filing Information

Tax Day is coming up on April 18! International students, refer back to the email you received on February 4 from oip@valpo.edu titled *"Important tax filing instructions for Current VU students and*

scholars'. That email gives you important instructions on how to file your taxes (even if you didn't work at all in 2021). It will direct you to a special tax service called "Sprintax" which is designed to meet international student needs.

NOTE: in most cases, using other tax softwares such as TurboTax will not account for your status as F-1/J-1 international students! We strongly recommend that you do not use those tax services if you are in typical F-1/J-1 visa status.

Summer On-Campus Housing

Undergrad students living in the residents halls, make sure to check the email you received from ResLife on Monday, April 4, on how to sign up for summer 2022 housing if you need it. The application deadline is April 22.
