The 8th World Sustainability Forum (WSF2020) is sponsoring a webinar on “Measuring Food Insecurity in the Era of COVID-19”. The panel will bring together experts from various fields to discuss the impact of the pandemic on food security and potential solutions. The webinar will take place on May 6, 2020, from 2:00 PM to 3:30 PM (EST).

The webinar will be moderated by Edward Maibach, College of Humanities and Social Sciences, and will feature presentations by the following experts:

- Germaine Buck Louis, College of Health and Human Services
- Jenna Krall, College of Health and Human Services
- Amira Roess, Centre for Environmental Health Sciences, US National Institute of Environmental Health Research
- Daniel Tong, University Professor of Philosophy, Public Policy, and Atmospheric Sciences

The webinar is open to all, and participants can register at the following link: [WebEx Event Link].

For more information about the webinar, please contact Heather Arold at haroard@gmu.edu.
