Ram Fam Monthly
August 2019

Greetings Ram Fam!

Ram Fam Monthly is sent out electronically from the start of the fall semester and is sent again up for another eight weeks in West Chester University.

For some of you, this is your first issue of the Ram Fam Monthly. Each month, this newsletter will include university communications for you, a rapidly changing campus, activities and events, student stories and much more.

For those of you who are seasoned WCU parents and families, the Ram Fam monthly may look a bit different this year. The creation of Ram Fam Monthly was required due to changes in the way students access and read the Ram Fam newsletter.

This is the fall of the student you had the opportunity to check out our additional WCU parent and family-specific resources.

Please feel free to reach out for any further information on how to enter the WCU's new transfer students, who will be receiving their event invitation very soon.

I will be hosting two special events for our newest students – the first is a Welcome Dinner in Lawrence Dining Hall on Friday, August 23 for all of our first-year students. Your first-year student should have received an email invitation from me by now. (Questions can be directed to AMcCarthy@wcupa.edu)

Eager, perhaps a bit anxious, too. Rest assured, all of us at WCU are ready to assist – from the Career Development Center.

As your student prepares for the academic year, they may be feeling a range of emotions: excited, overwhelmed, or perhaps a bit nervous. This is normal, so don’t worry. You can manage these feelings and address them in ways that are appropriate for their age group.

Provide your student with the resources they need to help keep your student healthy by making sure they have updated immunizations at home, you may still be a primary source of health information for them. You can help your student make the best health choices for their future.

College Students About Alcohol

The Student Health and Wellness Center is committed to working with you to help keep your student healthy by making sure they have updated immunizations. They are also hosting student health fairs to introduce students to the many resources available on campus.

The Immunization Web Portal serves as a one-stop location for students to complete their incoming student health forms. The Immunization Web Portal provides students the opportunity to complete these forms electronically and submit them to Student Health Services for review.

If you would like a printed version of the handbook or have any questions or concerns, please contact AMcCarthy@wcupa.edu or 610-436-2509.

Do not hesitate to reach out with any questions, comments, or concerns at AMcCarthy@wcupa.edu. We can't wait to welcome you and your students back to campus in just a few weeks! As always, we are happy to hear from you and answer any questions you may have.

We are just a few short weeks away from the start of the semester, and we are gearing up for another 16-week academic year. In this issue:

- Student Health Services Update
- Important Dates and Deadlines

A Message from President Forlines

Welcome back, Ram Fam! As we kick off the fall semester, let’s take a moment to reflect on the progress our university has made to ensure a safe and healthy environment for all.

As we continue to navigate the challenges posed by the COVID-19 pandemic, it is clear that our campus has come a long way in providing a safe and healthy learning environment for our students, faculty, and staff. We are grateful to all those who have played a role in making this possible.

We are excited to welcome our students back to campus for the Fall 2021 semester. We have been working hard to ensure that we are prepared for a safe and healthy semester. From the updates to our COVID-19 protocols to the enhanced cleaning and disinfection efforts, we have taken many steps to ensure that our campus is a safe and healthy place for all.

We are committed to providing a safe and healthy learning environment for all of our students, faculty, and staff. We will continue to monitor the situation and make any necessary adjustments to ensure that we are meeting the needs of our community.

We are grateful for the support of our students, faculty, and staff, and we look forward to seeing everyone back on campus for the Fall 2021 semester. We are committed to providing a safe and healthy learning environment for all.

We are constantly adapting and improving our protocols to ensure a safe and healthy environment on campus.

The Student Health Services Center is committed to helping you and your student make the best health choices for their future.

To learn more about the Student Health Services Center, please visit our website or contact us at 610-436-2509.

In addition, we encourage you to stay informed about the latest updates and resources available to you.
