Greetings Ram Fam!

If you or someone you know has finished their first week of classes and are ready to gear up for another academic year, you are not alone! West Chester University is here to help.

For those of you who are new to WCU and students and families, the Ram Fam monthly may look a bit different this year; however, we will continue to provide you with important updates and advice on what to see and what to avoid that is most popular!

Students: Join your friends and family in the Ram Fam community. This newsletter lets you manage your email settings and allows us to see what articles are most popular!

For those of you who are seasoned WCU parents and families, this newsletter will be a bit different than last year. Our new and improved newsletter lets you manage your email settings and allows us to see what articles are most popular!

We can’t wait to welcome you and your students back to campus in just a few weeks! As always, if you have any questions, comments, or concerns, please reach out with any questions, comments, or concerns at ramfam@wcupa.edu.
