Greetings Ram Fam!

We are gearing up for another exciting academic year at West Chester University. As the fall semester begins, we want to ensure that you have all the information you need to help your students make the successful transition to college.

As your student prepares for the academic year, they may be feeling a range of emotions: excited, anxious, or a combination of both. We know that this can be a difficult time for both students and families. To help ease some of the stress, we will be hosting two special events for our newest students – the first is a Welcome Dinner in Lawrence Dining Hall on Friday, August 23 for all of our first-year students. Your first-year move-in day team will be on hand to help your student move into their residence hall.

In addition, make sure your student knows their current medications and allergies. You may contact your health care provider or visit the Student Health Services Department website to learn more about how to enter the Entry Form to provide Student Health with information about immunity to specific communicable diseases.
