Greetings Ram Fam!

The start of the fall semester is almost here, and we are getting ready for another great year at West Chester University!

As you RAMp up for the start of the semester, I encourage you to check out our Welcome Guide to help you and your students get ready for the fall semester. This guide includes information on important dates and deadlines, campus resources, and tips for a successful start to the year.

For those of you who are new to WCU, or for those who are returning to campus, the Welcome Guide is a valuable resource to help you and your students navigate the fall semester. The guide includes information on the following topics:

- Welcome to WCU: An overview of the university and its resources.
- Important Dates and Deadlines: A comprehensive list of important dates for the fall semester.
- Academic Resources: Information on academic resources available at WCU, including libraries, writing centers, and tutoring services.
- Campus Life: Information on campus life, including housing, dining, and student organizations.
- Health and Safety: Information on health and safety resources available at WCU, including health services, emergency procedures, and campus safety.

We are excited to welcome you and your students back to campus in just a few weeks! As always, we are here to support you and your students through this new academic year.

#RamFam Love,

We can't wait to welcome you and your students back to campus in just a few weeks! As always, we are here to support you and your students through this new academic year.

A Message from President Fiorentino

Ram Fam Monthly is pleased to offer a new resource for parents and family members: WCU’s new student handbook. This handbook is available online and provides important information about student services, academic resources, and campus life.

Research shows that students who have parents and family members who discuss alcohol with them prior to arriving on campus for the first time are more likely to be successful in college.

WCU is proud to offer a new resource for parents and family members of college students: A Parent Handbook for Talking with College Students About Alcohol. This handbook is available online and provides important information about student services, academic resources, and campus life.

If you would like a printed version of the handbook or have any questions or concerns, please contact Lexie McCarthy at AMcCarthy@wcupa.edu.
