SCIENCE patterns on T.I.G.E.R. Field Day
Clemson’s Spring Football Game is scheduled for Saturday, April 6. Before you watch the game, join us for T.I.G.E.R. Field Day. Activities start at 10 a.m. on the Littlejohn Coliseum lawn. Field Day is free and open to the public, so children, students, faculty and friends will be there to cheer for the students.

For several hours before the start of the Spring Football Game, many SCIENCE partners on T.I.G.E.R. Field Day will be on hand to speak with participants. For more information, check out our website—or click the link below.

Important dates to remember
April 3: Give Day.
April 6: Men of Color National Summit.
April 9-10: Summer classes begin.
April 12: Biology student’s interdisciplinary research is changing the course of lives in Haiti.
April 14: Chemistry student’s personal journey reflects what Clemson is all about.
April 17: Doctoral Hooding.
April 21: Mike Brown, the “man who killed Pluto,” wows the crowds at Clemson on Feb. 21.
April 29-May 3: Graduation ceremonies.
May 9-10: Graduation ceremonies in Littlejohn Coliseum. The College of Science ceremony will be 2:30 p.m. on May 10.
May 14: Summer classes end.
June 1-July 10: Summer term begins.

Miss Clemson sees the beauty in science
Miss Clemson is a science student here at the College of Science who appreciates the importance of science education. She is a native of Lexington, South Carolina and is currently a junior majoring in biology. Miss Clemson is passionate about science and enjoys sharing her love for the subject with others.

Prominent scientist to speak at Clemson on April 12
We welcome you to join us on April 12 for the College of Science Annual Science Symposium. This year’s keynote speaker is Dr. Marcus Feldman, a member of the National Academy of Sciences. Among his many honors, Marcus Feldman is a Konkel Professor of Biological Sciences and Wohlford Professor of Biological Sciences at Clemson on April 12.

Give Day to bring together Clemson Family on April 3
Give Day is back! This year’s event will be held on April 3 and is all about giving back to Clemson and supporting our students. Give Day is an opportunity for alumni, parents, and friends to come together and make a difference.

TrueRemove® is a trade name for the medication CRETENE®.

SCIENCE on May 14 at the Brooks Center
Dr. almond will present research or study abroad. Faculty, staff, alumni, friends, and students give back to the college to enhance your experience. These hills are magical. Consider a gift – no matter how small – to honor those who helped make your experience so special and to help those who will follow in your footsteps.

Where will your college take you? Make a contribution to ensure that we continue to attract and retain the talent that will help us meet our goals.

Click here to give today.
