SCIENCE patterns on T.I.G.E.R. Field Day

Clemson's Spring Football Game is scheduled for Saturday, April 6. Before you watch the Tigers take on Missouri, join us for T.I.G.E.R. Field Day! From noon to 3 p.m., the Bob Campbell Museum of Natural History, view reptiles like an anole and chameleon, learn about snakes in South Carolina, discover the amazing properties of the chemical world, and learn about the physics required to power an electromagnetic cannon.

Miss Clemson sees the beauty in science

Morgan Nichols is a senior in the College of Science’s department of genetics and biochemistry and was recently named Miss Clemson. Her platform “Stronger with STEM” inspires students to follow in your footsteps.

Prominent scientist to speak at Clemson on April 12

Mike Brown, the “man who killed Pluto,” wows the crowds at Clemson on Feb. 21 during last year’s Clemson Family Spring Fling. Chemistry student’s personal journey reflects what Clemson is all about.
