Prominent scientist to speak at Clemson on April 12

Join us April 12 when Konkel, computer modeling techniques for evolutionary biology. Konkel's talk will focus on mathematical and computational aspects of evolutionary biology, with a particular emphasis on population genetics. This day-long event will include a public lecture on April 12 from 2:30-4:45 p.m. in the Watt Family Innovation Center Auditorium.

Miss Clemson sees the beauty in science

Morgan Nichols is a senior in the College of Science's department of genetics and biochemistry. Nichols was recently named Miss Clemson. Her platform "Stronger with STEM" inspires students to pursue careers in science, technology, engineering, and mathematics.

Give Day to bring together Clemson Family on April 3

Clemson's Give Day 2019 will be an energetic, 24-hour focus on giving for alumni, parents, staff, and students, faculty and friends in support of the University's greatest needs. This year's annual giving event will start at 8 a.m. on April 3. For more information, contact Julie Tovey at jtovey@clemson.edu.
