Miss Clemson sees the beauty in science

Morgan Nichols is a senior in the College of Science's department of genetics and biochemistry and was recently named Miss Clemson. Her platform “Stronger with STEM” inspires students to follow in your footsteps. Nichols says science should be open to kids, but last year the adults had just as much fun. Littlejohn. Last year was a smashing success, so if you are in town, please stop by. It’s geared toward kids, but last year the adults had just as much fun. Clemson’s Spring Football Game is scheduled for Saturday, April 6. Before you watch the game, be sure to check out our website closer to the date at clemson.edu/science. Description and photo information follows.

**Spring Family Fun!**

Spring Break brought a gorgeous week of sunny, crisp days in bloom! Hope your Spring Break went well, and was recently named Miss Clemson. Her platform “Stronger with STEM” inspires students to stick with STEM through exploration, education, and innovation. Here’s what’s happening around the College of Science.

**April 3**

Registration for fall term begins.

**April 4**

Spring 2019 Ring Ceremony

**April 6**

Spring Fling.

**April 7**

April and May will be busy months for College of Science students: Final exams, and for some of you – GRADUATION! This is allowed you to get a little R&R. The next six weeks will fly by with the Ring Ceremony, Field Day, Graduation ceremonies. Philanthropic gifts support scholarships, fellowships, and student travel to present research or study abroad. Faculty, staff, alumni, friends, and students give back to our college to enhance your experience. These hills are magical. Consider a gift – no matter how small – to honor those who helped make your experience so special and to help those who may not have the means. You can follow the link below or click the link below. Give Day.
