Thank you

It’s the end of another semester. We’re so thankful for the opportunity to work with you. As you reflect on your college experience and look toward the next step of your journey, consider what you can do to give back. Your support allows us to present research or study abroad. Faculty, staff, alumni, friends, and students give back to our college to enhance your experience. These hills are magical. Consider a gift – no matter the size – to honor those who helped make your experience so special and to help those who will follow in your footsteps.

Thank you for your generosity. We’re grateful for your support.
