The Emerging Leaders program is an eight-week course designed to introduce leadership topics to a cohort of new and beginning leaders. The program is focused on developing the personal and professional skills needed to solve the complex challenges of today’s world. The program provides participants with the knowledge, skills, and confidence to lead initiatives, lead change, and drive results.

The Emerging Leaders program is designed to meet your needs. Please let us know and we can do our best to customize a training program that will fit your needs. If you have any questions, please contact Lisa Snyder, Associate Director for Leadership Education and Development at lsnyder2@gmu.edu.
