RESIDENTIAL COMMUNITY,

We will also have the WeCU program starting mid-month. If you have a student moving into our residential and community requirements/expectations regarding wearing masks, social distancing and mitigating the risk of COVID-19 spread, it's important for students to pay attention to campus, faculty and staff. Encourage them to schedule a meeting with their advisor to discuss their academic goals and plans for the summer. If your student is still feeling overwhelmed or frustrated, it's important to provide them with support and resources. The Office of Student Conduct has a variety of support resources available, including counseling services, academic tutoring, and career planning.

Students can also take advantage of the WCU Safe App, which provides information about campus safety resources and how to stay safe on campus. The app will send important safety alerts and provide instant access to support resources in case of an emergency. Students can also use the app to request Public Safety Escort or Virtual Walk Home services. If a user feels unsafe, they can request a Virtual Walk Home and a dispatcher on the other end will monitor their location in real-time.

Students can also request a Public Safety Escort when walking on campus. If there is an emergency or a non-emergency concern, they can contact the correct services for the WCU area. The app also includes a feature called Emergency Plans, which allows students to create and store emergency plans for their location.

We hope that you and your student are having a great start to the semester and also want to make you aware of an exciting opportunity in the near future. We want to invite you to our RamFam event, which is a virtual event for student veterans, as well as a graduate assistant. The event will be held on May 10th and will feature a guest speaker, Lexie McCarthy, Director of Parent and Family Relations. She will provide information about the Office of Parent and Family Relations and how it can support student veterans.

Thank you for your continued support and encouragement. We look forward to seeing you at the RamFam event!
