If you have a recharge transaction on your FinUnit Project DFLT (or another project) and it is past due, you should be canceled. This will lift commitments associated with these projects and take stock of what will need to be lifted for those projects that are or are scheduled to end. As fiscal close approaches, now is a good time to review commitments on your projects and take stock of what will need to be lifted for those projects that are or are scheduled to end.

Friendly reminder that as we head into our first fiscal year-end close, we ask department fund managers to perform corrective actions by department fund managers.
