   - **Workshop**
   - **Date:** November 30, 2022
   - **Time:** 1:00 PM - 2:00 PM EST
   - **Theme:** Polarization—diagnosing the problems that have led to such deeply entrenched positions. Why is it that we have become so polarized—diagnosing the problems that have led to such deeply entrenched positions. Why does this matter? To what extent does the problem of political polarization arise from a failure to build a shared understanding of unifying values (a belief in the nation, a commitment to the common good)? To what extent does political polarization result from an inability to engage in meaningful political discourse?

4. **Public Affairs at GW and Planet Forward Founding Director Announcements**
   - **News**
