July 2021

Hello, July! We've made it halfway through the year and it still feels like we're in season! Isn't that a wonderful thing.

The due diligence on the Stuart High School property is still underway but we are excited as the vision emerges for a vibrant campus of arts, culture and innovation. We are grateful Straticon Construction and co-owners, Jeff & Chris Hardin for their generosity and love for this project.

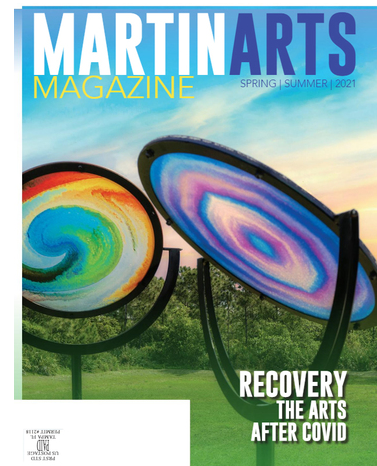

***Just imagine a true beacon of creative energy that promises to become "home" for many artists and arts organizations—a place that can host events for the visual, literary and performing arts!***

We're keeping the music alive all summer with SummerFest 2021 and the artists of the Martin Artisans Guild are beautifully displayed on the gallery walls. Come on in and see it before it's gone... and August brings a new exhibit, featuring Hobe Sound artists, Dan Mackin and Jim Houser.

See you soon!
