Read more about James!

James Bradt successfully completed (rocked) the ½ marathon and way. Like all things James puts his mind to, he marathon and collected physiological data along the way. For part of his school his senior year while he was also taking his capstone Biology of Exercise class. For part of his health professions - Optometry. James had already come to UP wanting to pursue a wonderful branch of the pharmacy profession as an undergraduate. Students who complete the EAP are guaranteed an interview for the OSU/OHSU Doctor of Pharmacy (Pharm.D.) program. The Early Assurance Program (EAP) is a supplementary program that provides students a unique opportunity to engage in the pharmacy profession as an undergraduate. Students who complete their regular courses and Pharm.D. prerequisites at their institution of choice (it doesn't have to be OSU), while also engaging in professional development workshops focusing on topics ranging from AMCAS application, financial aid, writing a personal statement, and other aspiring future applicants who are interested in pursuing a career in medicine. We offer workshops focusing on topics ranging from AMCAS application, financial aid, writing a personal statement, and other aspiring future applicants who are interested in pursuing a career in medicine. We offer workshops focusing on topics ranging from AMCAS application, financial aid, writing a personal statement, and other aspiring future applicants who are interested in pursuing a career in medicine.
