Human and will make a great optometrist in the near future! Also solidified a spot at Midwestern University in Arizona. James is a hardworking, kind, wonderful student who successfully completed (rocked) the ½ marathon and collected physiological data along the way. Like all things James puts his mind to, he pursued Optometry. Fun fact- He applied to Optometry clinic prior to starting at UP, but upon arrival on the campus of the rural town of Pendleton, OR. While James loved the rodeo, he put his bull riding dreams on hold and focused on his school work. James Bradt.

OPPORTUNITIES TO GET INVOLVED AND INFORMED!

• The University of Portland’s Pre-Medical Program is hosting a Pre-Med Academy information session for prospective students on November 15th at 6:30 pm. The event will be held in O’Reilly Hall Room 106.
• UPREP is offering 5 free full-length MCAT practice exams to UP students. The exams will be administered on campus on the weekend of April 9th.
• Pay It Forward is a medical student-run mentorship program at Oregon Health and Science University (OHSU). Students from all different years of medical school from OHSU. Monday, Nov. 14th- 5-6pm

ALUMNI SPOTLIGHT

Dr. Kyle Flann, Biology Faculty, Pre-Health Advisor

Dr. Flann is the Pre-Health Advisor at the University of Portland. He is responsible for guiding students through the pre-medical program and ensuring they are prepared for a successful career in medicine. He has worked in the field of medicine for over 10 years and has dedicated himself to helping students achieve their goals.

Alumni Spotlight

If you’re interested in learning more about the Pre-Med Academy or Pay It Forward, please feel free to contact Dr. Flann at kflann@up.edu or the University of Portland’s Pre-Medical Program office at 503-748-7368.

UPREP offers monthly workshops to underrepresented minority students with other prospective students present. This session’s topic will be: Overview of the Medical School Application. We offer workshops focusing on topics ranging from AMCAS application, financial aid, writing a personal statement, and other aspiring future applicants who are interested in pursuing a career in medicine. We offer a variety of workshops to help students prepare for medical school and beyond.

PRE-MED ACADEMY

Building the Every Step of the Way

Our Pre-Med Academy is a great opportunity for students to learn more about the medical school application process and how to prepare themselves for success. The Pre-Med Academy is open to all undergraduate students interested in pursuing a career in medicine, regardless of their current major. The program is designed to help students develop the skills and knowledge they need to succeed in medical school and beyond.

High light

• 13th Annual Pre-Med Academy Information Session

More info and registration can be found here.

MORE PRE-HEALTH NEWS

• At UP, students have the opportunity to create a collaborative learning community for future health professionals. Our student volunteers are very diverse and come from all walks of life who each have a unique perspective on the medical field.
• UPREP is a collaborative project between the Office of Healthcare Equity student affinity groups and the Portland State University (PSU) Pre-Medical Program. The goal of UPREP is to foster a more diverse and inclusive pre-medical community.
• Pay It Forward is a medical student-run mentorship program at Oregon Health and Science University (OHSU). The program provides mentorship for students interested in pursuing a career in medicine, with an emphasis on diversity and inclusion.
• UPREP is a collaborative project between the Office of Healthcare Equity student affinity groups and the Portland State University (PSU) Pre-Medical Program. The goal of UPREP is to foster a more diverse and inclusive pre-medical community.
