Dear Colleagues,

We hope this email finds you well and your loved ones safe. With the end of the semester approaching, we are writing to offer, in a very special way, our appreciation for all you have done and continue to do.

First, thank you for your tireless efforts to support undergraduate inside and outside of the classroom this semester. We hear students routinely express to us their appreciation for all the ways faculty have gone above and beyond to engage and support them in all platforms. We know that you have gone to extraordinary lengths to support our students’ intellectual, emotional, and physical wellbeing. We truly appreciate your efforts.

Once again, thank you. Throughout 2020, Duke faculty and staff have been engaged in local, state, and national campaigns.
