OPEN! Student Experience Survey: Surveys are open to students until 8:00am on Monday, June 12. Encourage your faculty to visit the Student Experience Survey Faculty Guide to learn how to invite a range of feedback.

UO Institutional Review Board (IRB): Do faculty or staff in your unit interact with the UO Institutional Review Board (IRB)? OVPRI has charged a faculty workgroup to learn more about the IRB process at UO. They are soliciting your input to understand areas that are working well and where services can be improved. The goal of this workgroup is to provide tangible recommendations to the vice president for research and innovation.

To help inform this work, please share your experience with UO’s IRB by responding to this brief IRB mini survey by June 16.

AWARDS & OPPORTUNITIES

OER Grant Opportunity: Open Oregon Educational Resources seeks grant proposals for faculty interested in using Open Educational Resources (OER) to reduce course materials costs in lower division courses. Grants range from adopting an existing open textbook to authoring a completely new OER for an area where few exist already. This opportunity also aligns with the university’s textbook affordability strategic plan. Apply by June 23.

Grant recipients have a full two years to fulfill the grant and the next round of funding won’t be available again until 2025, so if you think you may be interested, encourage you to apply. If you’d like to discuss a proposal idea or need assistance finding existing OER for your subject area, please reach out to Rayne Vieg (raynev@uoregon.edu) at any time.
