Dear Colleague,

Happy January! My husband and I spent a week in Panama a couple of weeks ago with our client La Coralina Island House. When the GM said, *"I'd like you to try as many of our wellness treatments as possible"* I thought I was in heaven - and was a terrific way to escape cold January.

Our team is busy travelling and reconnecting with clients, which has been terrific and energizing. Please take a look at our travel schedule below and let us know if you'd like to meet in person or online.

We have lots of information for you below on our clients -- from News at a Glance to our blogs. And again, you are always welcome to use any of our information for your marketing purposes!

Best regards,

Jane Behrend
