[New feature alert for the Food Buying Guide Interactive Mobile App](#)

Team Nutrition is excited to announce that users can now view the meal pattern requirements per meal component for a selected Program and age/grade group while using the FBG Calculator on both the Web Tool and Mobile App. This feature allows for easy access to helpful meal pattern guidance to assist in creating shopping lists.

[Food Safety](#)

Many child and adult nutrition programs prepare food at one site and transport it to another site for service. Transporting adds time to holding foods and to the complexity of a school nutrition program creating another step in the foodservice process that must be performed correctly to ensure temperature maintenance and to minimize cross contamination.

[Update Resource for Parent Pick-Up of Meals for SY2021-2022](#)

USDA's Team Nutrition initiative has updated the Child Nutrition Program Meal Service During Coronavirus (COVID-19): Best Practices for Parent Pick-Up of Meals and Snacks publication.

[New Standardized Recipes to Try!](#)
