**Announcements**

- **The LMU Study Abroad team wishes you a restful holiday break and happy new year. And have voyage to our collaborative vibrant semester!**

**STUDY ABROAD THIS SUMMER!**

- **Current program opportunities:**
  - **Germany:** LMU-Europe Program in Berlin: Canaval Developement in Organizing
  - **Japan:** APAICS Kakehashi Program to study in Japan (March 15-22, 2022) is designed to promote people-to-people exchange between Japan and the United States. The program will provide participants with an enhanced understanding of Japanese economics, society, history, culture, and the future of U.S.-Japan relations. The students selected to participate in the program shall be comprised of individuals from Asian American families or have some Asian ancestry. Open to U.S. citizens or U.S. permanent residents, currently enrolled undergraduate or graduate students.
  - **Germany:** Engineering in Berlin, Germany: LMU Study Abroad will be offering the DAAD RISE for Undergraduate Students. This program offers German language courses for students interested in studying in Germany. Applications are open until January 24th or until the program is full.
  - **Other summer program opportunities:**
    - **South Korea:** Sogang University in Seoul: International Summer Program in Creative Writing
    - **Mexico:** Augsburg University in Cuernavaca: Summer Medical Spanish and Culture
    - **Mexico:** Augsburg University in Cuernavaca: Summer Language and Culture
    - **Japan:** Sophia University in Tokyo: Summer Session Asian Studies
    - **Japan:** Sophia University in Tokyo: Summer Session Japanese Language Development and Mentorship
    - **Hungary:** LMU Summer Immersion in Budapest: The Professional Development Program in Entrepreneurship for Students of Business and Business Administration. The course will provide students with an opportunity to explore the professional development of entrepreneurship and to interact with Hungarian and international business leaders. The program includes lectures, workshops, seminars, and visits to local businesses and startups. Students are matched with peers from different countries according to their academic interests and career goals.
    - **Germany:** LMU Summer Immersion in Bonn: Career Development in Engineering. RISE Germany offers undergraduate students a paid opportunity to complete a summer research internship at top German universities and research institutions. The program is open to students majoring in engineering and related fields. Applicants must have completed at least two years of study and have a strong academic performance. The program includes on-campus courses, lab work, and research projects.
