Washington, D.C. and one at an embassy or consulate abroad), professional development and mentorship. Fellows also get two summer internships (one in a closely related field). German language is not required.

The Foreign Affairs IT Fellowship provides undergraduate and graduate students with up to $75,000 in academic funding for an IT-related degree (junior and senior year of a bachelor's degree or for a two-year master's degree). Fellows also get two summer internships (one in a closely related field). German language is not required.

The Office of National and International Fellowships (ONIF) is accepting applications for the following programs for the 2022, Fall 2022, and Academic Year 2022-2023.
- Deadline: January 10.
- Deadline: January 15.
- Deadline: December 1.
- Deadline: January 24.

Funded by the U.S. Department of State, the Foreign Affairs Information Technology (FAIT) Fellowship is a path to a career in the Foreign Service. This two-year fellowship prepares students for potential assignments as Foreign Service Information Technicians (FAITs). Graduates of the Foreign Affairs IT Fellowship program shall be comprised of individuals from Asian American families or have some Asian ancestry. Open to U.S. citizens or U.S. permanent residents, currently enrolled in a two-year program, interested in international affairs, and have completed coursework in the natural sciences or social sciences. Students should also have completed at least one semester of coursework in political science, international relations, or an equivalent discipline. Students selected to participate in the Foreign Affairs IT Fellowship program will spend their first year (August 2022–May 2023) at the Department of State, the Foreign Affairs Information Technology (FAIT) Fellowship Program in Washington, D.C. Students selected to participate in the Foreign Affairs IT Fellowship program will then spend their second year (June 2023–May 2024) at an embassy or consulate abroad担任 FAIT Intern.

RISE Germany offers undergraduate students a paid opportunity to complete a summer research internship at top German universities and research institutions. Students are matched with a host university or institute according to their area of interest (biology, chemistry, physics, earth sciences, engineering, or a closely related field). German language is not required.

The APAICS Kakehashi Program to Japan (March 15-22, 2022) is designed to promote people-to-people exchange between Japan and the United States. The program will provide participants with an enhanced understanding of Japanese economics, society, history, culture, politics, and diplomatic policies and encourage individuals to play an active role in the future of U.S.-Japan relations. The students selected to participate in the APAICS Kakehashi Program to Japan (March 15-22, 2022) will join a group of U.S. students from various universities and will spend ten days in Japan (March 15-22, 2022) learning about Japan and Japanese culture at university locations throughout Japan.
