Bubble + Fizz Love Potion Couples Massage

A potion brewed for sheer rejuvenation!

Skin is nestled into a toasty and softening vitamin E wrap before a juniper and hops extract oil glides over

worn out muscles — the scent of fresh greens and bergamot oranges will take hold! Skin is left nourished and muscles are revived. That's the spell!

The Honey Bear Cocktail Body Renewal Treatment

Here's to you and glistening massages!

A delicious soak, fragranced with soft notes of warm and sugary butter brulee, welcomes your senses. This treat is crafted with real whole milk and

sweet almond oil, so skin is softened, hydrated and calmed just for starters. Next, experience a juicy, brandy pear-infused body scrub, with rice bran oil that'll leave skin soft and so desirable.

Lastly, a Honey-Chai Steeped Milk massage is here to end your treatment.

This rare lotion is made by steeping organic cardamom into organic

coconut milk. This infusion adds lovely warm honey and spice notes.

It's Swell Being in Love Massage

Give this body kneading a glow before your date with destiny. Arms, legs and shoulders are all cocooned into a warm coconut oil wrap, while

light note of white wine and grapefruit float around your treatment room. End with a warming body oil that brings a heightened sensation with friction, warm stones, and heated towels. It nourishes with full-spectrum Hi-Bio Hemp oil and lycopene-rich watermelon extract.

A La More! Body Treatment

You're in for a wintery treat! A fine grain sea salt scrub, with holiday notes of honey, clove and cinnamon, buffs away roughness. Then, you're painted with a creamy organic

chocolate mask containing age-fighting CoQ10 before being cocooned into a whole milk and chicory root wrap – skin is calmed and softened. The grand finale is a melted shea, cocoa and mango butter massage drizzle that leaves skin soft, and deliciously scented with soft ice cream-like notes!

Love Brew Hops Infused Manicure & Pedicure

Hands and feet drink up all the antioxidants found within a warm soak filled with juniper and hops extracts. Next, a bourboninfused scrub whisks the dry and rough away, so a

creamy honey glaze serum can soak and replenish skin with hydration. We end with a second application of a juniper and hops oil to send you off into lasting softness — and perhaps, in love.

Mellow Out My Love Manicure & Pedicure

To capture cupid's heart we begin with a full-spectrum Hi-Bio® hemp fizzer soak, with refreshing notes of rosemary and mint that envelop your senses. Next, we unveil the softness within with a sea salt scrub. Finally, a whipped body mousse with skin-refining CBD envelops your arms, soles and legs into lasting hydration.

Cupid's Cocktail Manicure & Pedicure

This cinammon-sweet, and butterscotch-caramel cocktail treatment includes a relaxing soak in Red Hot Sparkling oil made with grapeseed and olive fruit oils for an antioxidant treat that moisturizes and soothes winter feet. Next, a Butter Rum brown sugar scrub polishes rough skin leaving a smooth revitalized surface.

Then, a hot honey glaze drizzle and wrap seals in aloe, honey and live papaya fruit cells to provide deep hydration. When rinsed, prepare to be dolloped-- a warm citrus-vanilla whipped Shea Butter brings an uplifting kick to this LOVE-ly treatment.
