FILIPINO AMERICAN HISTORY MONTH

During the month of October, we celebrate the many achievements and contributions of the Filipino American community. The month of October is significant as it was on October 18, 1587 that the first Filipinos arrived in the U.S. in what is now Morro Bay, California.

Join us on Thursday, October 26 for the Filipino American History Month Celebration! Experience a traditional Kulintang music performance, explore local community resources, and enjoy delicious food! [Register](#) »

COLLEGE NEWS AND INFORMATION

IVC Community Celebrates Cultural Richness at Latinx Celebration

Earlier this month, the IVC community gathered at the SSC Quad to enjoy music, salsa dance lessons, and visit Latinx-owned small businesses showcasing local handmade items and food. If you missed it, [See Photos »](#)

Manufacturing Day Spotlights Potential Careers in the Industry

IVC at ATEP recently hosted local high school students for Manufacturing Day, giving them a firsthand look at the different aspects of manufacturing-related career paths. IVC faculty held hands-on demonstrations in Design Model Making and Rapid Prototyping, Drafting Technology, Electrical/Electronic Technology, and Engineering programs. Media Preferences Survey: Encourage Your Students to Participate!

Each year, we send out a survey from Interact Communications, Inc. asking students about the college's communication methods. Are we emailing too much, or too little, are they reading the flyers around campus? Help us encourage their participation by reminding them to check their IVC email for the survey link. The last day to complete the survey is November 19.

Kinesiology Instructor Logan Post Praised for Life-Saving Efforts at High School Football Game

IVC Kinesiology Instructor Logan Post, who is also an athletic trainer at Beckman High School, along with two of his students, is being celebrated for their quick, life-saving actions at a recent varsity football game. When a coach collapsed on the sidelines at the game, Post sprang into action along with the help of students Frederick Kweon and Owen Kelso. [Read More »](#)
