New Student Orientation Update

Students will be enrolled in a Canvas course (similar to how you were enrolled for START in June) during the week of August 24. We are asking that you complete some of the modules prior to Friday, September 4. During Labor Day Weekend there will be a mix of virtual and in-person events—some required and some optional. The final schedule for the weekend will be listed in the Canvas course and then students will receive a printed copy during move-in.

Commuter students--you have the option of signing up to be part of an Eagle Group with other commuter students. If you would like to be a part of this small group time on Saturday, September 6th from 1:30-2:30pm you can sign up here. Please sign up by 10am on Tuesday, September 1st. (On-campus students-you are already assigned to an Eagle Group based on where you are living on-campus so no need to sign up.)

You can find an overview of the New Student Orientation schedule here.
