New Student Orientation Update

Students will be enrolled in a Canvas course (similar to how you were enrolled for START in June) during the week of August 24th. We are asking that you complete some of the modules prior to Friday, September 4th. During Labor Day Weekend there will be a mix of virtual modules—some required and some optional. The final schedule for the weekend will be listed in the Canvas course and then students will receive a printed copy during move-in.

Commuter students— you have the option of signing up to be part of an Eagle Group with other commuter students. If you wish to be part of the commuter group, please sign up here. Please sign up by 3:00 pm on Monday, September 1st. (Since the commuter group requires travel, please sign up in good time.)

You can find an overview of the New Student Orientation schedule here.

Eagle ID Card

Your ID card is your passport to accessing campus services. If you have not submitted your approved photo yet, it is important that you do so immediately! Please refer to the Eagle ID website for instructions. Click on the photo uploads button.

Dining Plans

Students can begin using their dining plans with dinner on Wednesday, September 2nd. For more information on our dining program visit our website.

Have you forgotten which dining plan you requested? Watch your UWL email account! Shortly after August 27th, we will be sending you an email confirming your dining plan and offering some additional information regarding your dining plan and the dining program.

Move-in Dining Special: Families can eat in the Whitney Center Main Dining Room for $6.00 per person, September 2 - September 6. The hours for the Main Dining Room during this time are as follows:

- Wednesday, September 2: 5:00 am - 6:30 pm and 4:00 pm - 6:30 pm
- Thursday, September 3 - Sunday, September 6: 7:00 am - 7:30 pm

Parking During Move-in

Parking at UWL is limited. You must have a valid permit or utilize the pay station or mobile app to park on campus. We use License Plate Recognition (LPR) software so your license plate is your permit. During move-in, you have been given specific information from Residence Life about where to park. Please make sure you move your vehicle to your permitted lot on Monday, September 7. For additional information, please visit our website. Have a great first semester. Go Eagles!
