Save-the-date for the Asphalt Shingle Recycling Forum
The 8th Shingle Recycling Forum, the biennial event that brings together all stakeholders in the growing asphalt shingle recycling industry, will take place January 24, 2017, at the Minneapolis Convention Center in Minneapolis, MN. This dynamic event unites industry professionals from all sectors of the world’s interconnected biomass utilization industries—biobased power, thermal energy, fuels and chemicals. Organized by BBI International and produced by Biomass Magazine, this event brings current and future producers of bioenergy and biobased products face-to-face with a full roster of industry innovators who have been pushing the boundaries of innovation and who will discuss cutting edge technology, latest equipment and the latest developments in the field.

www.ShingleRecycling.org

It is available for free to all CDRA members, who can download the manual at www.cdrecycling.org. It provides facility operators the basic safety manual specifically for mixed C&D recycling facilities. Created by the CDRA’s Risk Management Committee, chaired by John Schumacher, the document provides facility operators the basic safety manual specifically for mixed C&D recycling facilities.
