**Save-the-date for the Asphalt Shingle Recycling Forum**

The 8th Shingle Recycling Forum, the biennial event that brings together all stakeholders in the recycling of asphalt shingles, is scheduled for October 17-19, 2017 at the Westin Cincinnati. The event will include excellent presentations from industry experts and a tour of a top-notch shingle recycling facility. For more information, visit [cdrecycling.org](http://cdrecycling.org).

**C&D Recycling Facility Safety Manual Available**

The Construction & Demolition Recycling Association has prepared the first C&D Recycling Facility Safety Manual for the C&D recycling industry. This manual has been developed to provide facility operators with the basic information needed to keep their employees and their operations safe. It is available for free to all CDRA members, who can download the manual at [www.cdrecycling.org](http://www.cdrecycling.org). For more information, contact the CDRA’s Risk Management Committee, chaired by John Schumacher, at [info@cdrecycling.org](mailto:info@cdrecycling.org).

**Flexible Recycling Facility Manual**

The Construction & Demolition Recycling Association has prepared a flexible recycling facility manual for the C&D recycling industry. This manual has been developed to provide facility operators with the basic information needed to keep their employees and their operations safe. It is available for free to all CDRA members, who can download the manual at [www.cdrecycling.org](http://www.cdrecycling.org). For more information, contact the CDRA’s Risk Management Committee, chaired by John Schumacher, at [info@cdrecycling.org](mailto:info@cdrecycling.org).

For more information, contact the CDRA’s Risk Management Committee, chaired by John Schumacher, at [info@cdrecycling.org](mailto:info@cdrecycling.org).

**CDRA Membership: Where's the Grit?**

Doing it right was the annual meeting theme for CDRA members last week. The goal was to improve member engagement and teamwork, and to show CDRA members how their own grit supports their own success. Members must have grit in order to achieve their own goals in their own leadership positions, and the CDRA helps its members achieve their own goals. Members must also have grit in order to achieve their own goals in their own leadership positions, and the CDRA helps its members achieve their own goals. Members must also have grit in order to achieve their own goals in their own leadership positions, and the CDRA helps its members achieve their own goals.
