Vol 4 No 1

CDRA Memberships Remain a Great Value

Doing it right now is the annual renewal process for CDRA members. Are you续
your membership this year? Let’s talk about the value you get from CDRA membership.

Membership in CDRA brings you into a dynamic industry network, access to valuable
information, and opportunities to buy and sell.

Your CDRA membership gives you:

• Work Management
• Equipment Management
• Recycling Management
• Licensing and Testing
• Environment
• Risk Management
• Financial Management

For more information about membership or to join, please visit the CDRA website at
www.cdrecycling.org or call 866/758-4721.

CDRA Award Applications Now Being Accepted

If you have a company that has moved the industry forward in 2017, now is your chance to
nominate that company for the CDRA Award. The CDRA Award is the only award that is
specifically for mixed C&D recycling facilities. Created by the CDRA’s Risk Management
Committee, chaired by John Schumacher, it is available for free to all CDRA members, who
can download the manual at www.cdrecycling.org/cdra-events/cdra-membership.

To download the CDRA Award Nomination Form, please visit the CDRA website
at www.cdrecycling.org/cdra-events/cdra-membership.

Demolition Conferences Set For January 2017

The CDRA’s Annual Meeting of the National, CECA, C&D Recycling World, and the
Demolition 2017 conference are set for January 2017. The CDRA has reserved the time for
these conferences and has made arrangements with the CECA to co-locate at the same
event. The CDRA participates in CECA so that you can get valuable information in the
members-only section.

The CECA’s Annual Conference is scheduled for January 21-23, 2017, at the Hyatt Regency
Chicago. The CDRA will have a table at the conference and will be offering the
CDRA’s white paper on recycled concrete’s use in road pavers, should plan on attending
this event organized by... The CECA’s Annual Conference is scheduled for January 21-23,

CDRA Recycling Facility Manual Available

The Construction & Demolition Recycling Association has prepared the first
national recycling facility manual and is making it available for free to CDRA members. The
manual is available on the CDRA’s website at www.cdrecycling.org/cdra-events/cdra-
memberships. The CDRA is also fortunate to have several companies that have already
signed up again to support the only association for the industry. We also developed a white
paper on recycled concrete’s use in road pavers, should plan on attending this event organized
by... The CECA’s Annual Conference is scheduled for January 21-23, 2017, at the
