After completion of the new UCPath CORE Training, new transactors can sign up for a [UCPath Learning Lab](#) to gain hands-on experience in a supervised setting while learning tips and best practices.

**Note:** Learning Labs are available for **new users only**. Existing transactors can receive 1-on-1 transaction support by [scheduling an appointment via Calendly](#).

## Defect with Salary Cost Transfer Tool

Please be advised that there is a defect in the new Salary Cost Transfer (SCT) tool implemented on November 11, 2023, where negative amounts cannot be moved on expired project-tasks in the Labor Ledger (DOPE). This is primarily impacting offsetting payroll lines for Vacation (VAC), Holiday (HOL) & Sick Leave (SKL).

**Note:** This issue is only occurring in the new Salary Cost Transfer tool. Payroll transfers eligible for the **old Direct Retro tool** are **not** experiencing this same issue.

Please [submit a ticket](#) to the Payroll Financial Management team through the [BFS Services & Support portal](#) if you are experiencing this or similar issues. We are currently investigating potential workarounds for this issue and reviewing if other transactions are impacted. We apologize for the inconvenience.

The above information and more can be found in our [Newsroom](#).
