August 2024

Dear Colleague,

As you read our August newsletter, I'm catching up with emails after a week of skiing in Bariloche, the largest winter sports resort in South America. If you or your clients haven't been here before, I highly recommend adding Bariloche to your 2025 bucket list. And for those visiting Argentina Patagonia before the end of this year, remember that **River House Lodge** is offering 15% off this November! More [here](#).

Another client offering a special deal now is **La Coralina Island House** in Panama, where you can get a 5x4 on any stay before the end of October. More [here](#).

Hotel Las Torres Patagonia is opening for the season in October with 74 refurbished rooms & suites. Yes, you read it correctly! They've undergone a full renovation, so this upcoming season is perfect if you're considering exploring Torres del Paine for the first time.

Last but not least, for those adventure travelers interested in off-the-beaten path, the country of **Guyana** always surprises, so have it on the radar for any future request!

Your training and experience are key for us and our suppliers, so we invite you to consider the following FAM trip opportunity: Galapagos Islands with **Enchanted Expeditions** and its luxury motor yacht M/Y *Passion*: 5-day trip in September for only US\$2,000. More [here](#).

The remainder of this year is quite busy for the Emerging Destinations team in terms of sales trips and roadshows. Check out our calendar below and contact us if we're going to be in your area so we can meet and speak more about not only our Americas portfolio but also our other cool clients in Europe and Africa.

Enjoy browsing our blogs below, and let us know if we can help you and your clients with any trips or bookings.

Best regards,

Ana (*on behalf of the ED team: Jane, Jenna, Paula & Ana*)
