**FACULTY DIRECTOR MESSAGE**

Community Partners Highlight

This virtual event is designed for the general public outside the Stanford community, questions can be asked of the panelists. Together with Stanford researchers, administrators, and local leaders will share their work on options, what will the “new normal” look like? What kinds of changes can we expect to see when we return to our work virtual? Given that its work addresses so many of the crises that this pandemic is worsening it is more easily accessible and healthy vegetables.

**UPCOMING EVENTS**

- **ROOTS COMMUNITY HEALTH CENTER | EAST OAKLAND, CA**
  - The Day Worker Center of Mountain View is a non-profit organization serving the communities of San Mateo County and Santa Clara County. Their mission is to empower all people to live a life of dignity and opportunity. The center provides a range of services and resources to support workers, including legal assistance, financial counseling, and health services.

- **TRAINERS COALITION | SAN FRANCISCO, CA**
  - Trainers Coalition is a San Francisco-based nonprofit dedicated to empowering and supporting community members through developing and delivering high-quality, community-based programs. Their programs focus on health, education, and workforce development, with an emphasis on improving the lives of those in underserved communities.

- **OPEN SOURCE WELLNESS | OAKLAND, CA**
  - Open Source Wellness is a non-profit organization working to provide access to resources and opportunities that promote health and well-being. They offer a variety of programs and services, including community gardens, fitness classes, and health education workshops.

- **VEGGIELUTION | SAN JOSE, CA**
  - Veggielution is a non-profit organization dedicated to providing access to fresh, healthy, and affordable food for those in need. They achieve this by working closely with small farms in the Bay Area to expand fresh produce availability to the most vulnerable populations in Santa Clara County.

- **Valley Verde | SANTA CLARA COUNTY, CA**
  - Valley Verde is a food security organization based in San Jose. They work to deliver free meals to medical teams at hospitals in New York City while supporting the kitchen staff and fitness instructors that make it possible. In addition, they are partnering with Bento Essential in New York City to deliver free meals to medical teams at hospitals in New York City while supporting the kitchen staff and fitness instructors that make it possible.

- **Fresh Approach | BAY AREA, CA**
  - Fresh Approach is a food justice organization working closely with small farms in the Bay Area to expand fresh produce availability to the most vulnerable populations in Santa Clara County.

- **Second Harvest of Silicon Valley (SHSV) | SAN JOSE, CA**
  - Second Harvest of Silicon Valley (SHSV) is the local food bank for Santa Clara County, California. They provide food to families and individuals in need. SHSV serves as a clearinghouse for food, distributing donated food to food banks, pantries, and other food assistance organizations throughout the county.
