JUNE LEGISLATIVE UPDATE

A new Legislative Update has arrived and with it, the latest (and greatest) in local and statewide news! Rising costs of imported water mean that a water rate increase is in the future for City of San Diego occupants. At the same time, the state of California failed to reach the water conservation goals set from July 2021 to March 2023. Learn more about these and other issues that relate most to BOMA San Diego's membership!

LEADERSHIP SPOTLIGHT

MONIQUE ADLEY | BIOMED REALTY

Monique Adley of BioMed Realty is our featured BOMA Leader! She has worked in the commercial real estate industry for 11 years. She joined BOMA San Diego in 2020, where she stepped up as Subcommittee-Chairperson of the Foundations of Real Estate Management course. Coincidentally, she also was a student of the Foundations course and said that taking this series of classes helped her a lot when she started her career in the CRE industry, and helped her network with her peers who were also navigating their careers. Today Monique serves as the Co-Chair of the Education Committee and helps pay it forward by leading the committee's focus on providing *"educational interests and professional development of CRE property professionals."*

BRANDI MUÑOZ | IRVINE COMPANY

Did you know that Brandi Muñoz of Irvine Company came from the hospitality industry? She's hoping to get involved with BOMA San Diego's Emerging Professionals Committee to offer her experience (and enthusiasm!). Her favorite quote is, "Let your vibe be a product of your heart and not your environment." We hope you'll take a moment to give Brandi a warm welcome the next time you spot her at a BOMA event or luncheon!

ERIC DYMEK | PARAGON SERVICES ENGINEERING

The Communications Committee would like to give a BIG shout out to Eric Dymek with Paragon Services Engineering. If you haven't met Eric yet, you might find him out and about volunteering his technical skills, or behind the scenes as one of our committee videographers! He filmed last month's New Member Spotlight and recently attended the Life Science Education Seminar to film and take photos of the attendees.

COMMITTEE ANNOUNCEMENTS

GIVING BLOOD, SAVING LIVES

Blood drives play a critical role in ensuring a stable and sufficient supply of blood for emergencies and medical treatments. Organizations like the San Diego Blood Bank work tirelessly to encourage and facilitate blood donations. The Blood Bank, in partnership with organizations like BOMA San Diego, plays a significant role in hosting these drives that save countless lives.

GENERAL MEMBER NEWS, TIPS & TRENDS

BOMA SAN DIEGO’S 60TH ANNIVERSARY

I’ve been a BOMA San Diego (SD) Member for 13 years, and this year marks the 60th anniversary for our chapter. Throughout the years, if you’ve been part of BOMA SD you’ve probably *also* met some genuinely amazing managers, owners, industry partners and members of our behind-the-scenes BAE team. Barbara Putis of Kidder Mathews has been a BOMA member on and off for 24-25 years. Jaimi Lomas of A.O. Reed has been a member for about the same amount of time too. For those that knew Ray Magnussen... he was a great leader!

Thus, the name of our “Ray Magnussen Associate Member of the Year” award – renamed in his honor.

Here are a few Past Presidents that are still a part of BOMA SD (kudos to you all!)

- Tracie Hager
- Cybele L. Thompson
- Tom Magnussen
- Amber Molina
- Kristen Howell

We wouldn’t be where we are today without all the “faces of BOMA” that make up this incredible chapter. Thank you to all our members. Let’s make our 60th Anniversary one of the best years yet!
