Advantage of these opportunities.

While these are only a few highlights, the breadth of these experiences is vast. Students can meet with staff at the LSU Cale P. & Katherine Smith Student Financial Management Center to discuss how to alleviate financial stress and lay a fiscal foundation for their future by covering topics such as budgeting, credit scores, and financial aid.

Advantage of these opportunities.

The LSU Parent Fund is committed to investing in your student. I hope you’ll encourage your Tiger to take advantage of these opportunities.

As always, thank you for trusting us with your Tiger.
