On the Cover
Between 1954 and 1977, the Society for the Propagation of Japanese Cherry Trees planted more than 100 cherry trees on Phillips Academy's campus. Today, many of these cherry trees still exist and Andover welcomes the Spring season with the blossoming of these cherry trees on campus. Fourteen of these ornamental cherry trees grow right behind the Peabody, along Phillips Street.

Beyond NAGPRA/Not NAGPRA
Contributed by Ryan Wheeler
This paper was published in the special issue "Indigenous Collections: Belongings, Decolonization, Contextualization" of Collections: A Journal for Museum and Archives Professionals, 2022, Vol. 18(1):8-17. We've reproduced the pre-press version here with pagination for those who do not have access to SAGE publications.

Loan to the Molina Family Latino Gallery
Contributed by Marla Taylor
Did you know that the Smithsonian is opening a new gallery – the Molina Family Latino Gallery of the National Museum of the American Latino – dedicated to highlighting Latino contributions to the United States? Read on to learn more about this gallery and one item from the Peabody's collection that will be displayed in the inaugural exhibition!

Understanding Ethnographic Photographs
Contributed by Deirdre Hutchison
Meet Friend of the Peabody, Deirdre, as she explores the Peabody's archives and photograph collections. Learn more about her project - identifying ethnographic photographs and how these images link back to Warren K. Moorehead and the Peabody.

Diggin' In: Peabody and MAS Digital Lecture Series
SEASON 4
Upcoming Episode Dates:
