A Word From Your CAMPUS DIETITIAN

March is National Nutrition Month!

This year's theme is **Beyond the Table**, which addresses the farm-to-fork aspect of nutrition, from food production and distribution to navigating grocery stores and farmers markets — and even home food safety and storage practices. It also describes the various ways we eat — not only around a dinner table, but also on the go, in schools and restaurants, at games and events. This theme also encompasses sustainability, including decreasing plate waste.

This Month's Feel-Good Food is...

Each month we highlight a food to incorporate into your diet that gives your body feel-good nutrients for improved immune and hormone function, stress recovery, energy, and mood. This month we're featuring **mushrooms**!

TIP: Add chopped mushrooms to a salad, omelet, stir fry, chili, or pizza. You can even replace up to ¼ cup of ground beef in a dish/burger with mushrooms.

You Spoke, We Listened - In Action!

When you send in an idea, suggestion or feedback about our dining program, we listen, and where feasible, put your suggestions into practice. Two examples from February:

You Asked: "I don't really have space for my plate while grabbing seasonings at Shenkman, is there somehow that can be changed?"

Our Action: We moved our Spice Station to the countertop near the Sweet Shoppe and Performance Kitchen so students have ample room to place their plates and season away.

You Said: "We would love to see a more different rotation of fruit and the occasional berries if possible added to the fruit bar."

Our Action: Our chefs have added berries to a rotation in their menus so that we can continue to keep things exciting.

GW Artists & Activists: Get Creative for the Chance to Win a \$100 Amazon Gift Card

GW Dining is hosting an art competition to promote awareness of plate waste in the dining halls. To enter, create an engaging design that showcases GW Dining sustainability data and submit it digitally to dining@gwu.edu by Friday, March 22, 2024. The winning artwork will be selected by the [GW Dining Student Advisory Panel](#) and made into posters and digital displays for GW's dining spaces. Please review the [submission criteria](#) before entering.

Student Advisory Panel

Let your voice be heard at our next [Student Advisory Panel Meeting](#) on **Friday, March 29** at noon in University Student Center (USC) Room 405. You are invited to attend in-person or [virtually](#).

This monthly meeting is a forum to bridge the gap between students and staff who are passionate about food and improving the GW Community as a whole. Students who attend the Advisory Panel can provide ideas and feedback to our staff, which will directly impact the future of dining at GW.
