

---

As we usher in the new year, we at Clubhouse Atlanta want to take a moment to reflect on what we have achieved together in 2024 and express our deepest gratitude for your unwavering support.

This year has been nothing short of transformative. Not only have we welcomed 13 new Members, our Recovery Through Work program has also flourished with the addition of two new Transitional Employment positions: thanks to a partnership with the Greater Perimeter Chamber of Commerce and the Mail Center, Etc. Witnessing Members regain confidence and independence through purposeful work has been one of the year's most rewarding outcomes.

In addition, we marked a pivotal milestone: the announcement of our move to a new location in Dunwoody. After nearly four incredible years at St. Patrick's Episcopal Church, we are preparing for a fresh chapter in a space designed to better meet the needs of our growing organization. We encourage you to stop by and check us out! This move signified our commitment to sustained growth and ensuring that Clubhouse Atlanta remains a

beacon of hope for families and their loved ones for years to come.

None of these accomplishments would have been possible without your generosity.

Looking ahead to 2025, plans are in the works to launch our very first podcast made possible through a grant from the Hirsch Legacy Fund; "Mind Matters, Building Skills and Breaking Barriers, The Clubhouse Atlanta Way." We hope to air our first episode in February.

Additionally, Clubhouse Atlanta will offer again this year, the Restaurant Ready program, a national program dedicated to helping people acquire basic job and life skills with a focus on the restaurant and hospitality industry.

If that is not enough, we are preparing for accreditation in April 2025 through Clubhouse International, symbolizing our commitment to excellence. There are over 370 Clubhouses worldwide in over thirty-three countries. Clubhouse Atlanta is the only Clubhouse in the state of Georgia that has fully embraced the Clubhouse Model and all thirty-seven standards.

We invite you to continue being part of this journey. There is still time to contribute to our **Campaign for Sustained Growth**, which is crucial for supporting our move and enhancing our programs. Your tax-deductible donation will directly impact the lives of individuals striving to achieve recovery and fulfillment. And, from now to the end of January, **your donation will be matched** dollar for dollar thanks to the generosity of the Livingston Foundation.

**This means your gift will go twice as far in helping us achieve our goals and create a lasting impact.**

Together, we can build a brighter future for Clubhouse Atlanta and its Members. To donate, please click on the button below or mail your gift to 4536 Barclay Dr., Dunwoody, GA 30338.

Thank you for your belief in our mission and your commitment to making a difference. We wish you and your loved ones a prosperous New Year!

With heartfelt gratitude,

Denise Brodsky  
Executive Director
