Adventures in China Trip (PA Spring Break, 2019) - In March 2019, eighteen Phillips Academy students traveled across China during their spring break on the inaugural Adventures in Ancient China trip, part of the Learning in the World program. Students visited major archaeological sites, cultural and religious sites, and museums. These student travelers made many memories while exploring the many wonderful sights, tastes, and activities of China. This image was taken at Longmen Grottoes, outside Luoyang. This site is home to some amazing and ancient Buddhist art.
