In this Issue

MASON SCIENCE COMMUNITY

Make connections at a fall student recruitment event.
Reconnect with your colleagues for lunch, breakfast, dinner, or light snack. Join today!

RESEARCH & DISCOVERY

Evaluating mathematical methods for materials and biological network analysis.

IN THE NEWS

Helping others understand the world through mathematics.

Happening at Mason

September Employee of the Month
Monique Sweeney is Mason's September Employee of the Month. Read more about her work.

Traditions, Curriculums and Making Mason Memorable

Join University Professor in AOES and Managing Director of COLA, Jagadish Shukla, for his lecture on September 27, 2021 | 7 p.m.

Cybersecurity and Healthcare Data: What Executives and Policy Makers Need to Know

Join Mason's Department of Health Administration and Policy and HealthTechNet for a discussion about cybersecurity and healthcare data.

ScienceConnect

Make connections next week on the Fairfax campus and the SciTech campus.

ScienceConnect next week

Join other students, faculty, and staff in the Mason Science community. There will also be opportunities to learn more about available programs and resources.

Message from the Dean

Join the conversation on a topic of interest to you.

In the News

Helping others understand the world through mathematics.

Meet Monique Sweeney

Monique Sweeney is Mason's September Employee of the Month. Read more about her work.
