A NOTE FROM THE PRESIDENT

The LSU Center for Academic Integrity is proud of the Herculean effort, set against the backdrop of unprecedented guidelines.

Our researchers and medical professionals have been fighting the COVID-19 pandemic, and our students and faculty transitioned to online classes, to our dismay. But like our students, faculty and staff, I'm ready to get back to business.

The LSU Interim President and Professor of Law Thomas C. Galligan, Jr.

CAMPUS HIGHLIGHTS

Virtual Graduation Celebration

LSU Olinde Career Center:

The LSU Center for Academic Integrity is proud of the Herculean effort, set against the backdrop of unprecedented guidelines.

Our researchers and medical professionals have been fighting the COVID-19 pandemic, and our students and faculty transitioned to online classes, to our dismay. But like our students, faculty and staff, I'm ready to get back to business.
