A NOTE FROM THE PRESIDENT

I am writing to you today to share with you the current landscape for the fall semester at LSU. As you know, the COVID-19 pandemic has continued to shape our plans for the future. While it is likely that things will look a little different when we return to campus, we remain committed to providing an exceptional educational experience for our students.

Regardless of what this "new normal" looks like, I'm confident that our faculty and staff will do their best to ensure that our students have the opportunity to learn and grow. We will continue to follow all guidelines to keep our community safe and healthy.

In addition to our academic programs, we are also excited to announce the launch of our Tiger Twelve program. The Tiger Twelve is a group of 12 exceptional seniors who will be recognized for their outstanding achievements and contributions to the LSU community.

I encourage you to learn more about the Tiger Twelve and the other ways in which we are supporting our students during this unprecedented time.

Thank you for your continued support and understanding as we navigate this challenging time together.
