Contents of this Month's Update

CINA continues to welcome

• opportunity for COE researchers to connect and network with DHS components, federal,
  combined COE-DHS network is formidable, but if there is one thing we have all learned, it is
  the common goals of safety and security for our people, our nation, and the world. The
  valuable partnership with DHS at all levels, we trust each other, and we are all working towards
  knowledge, experience, ability, and imagination, all focused on the problems faced by DHS,

• collections of universities, researchers, students, and practitioners represents a wealth of
  solutions with innovative approaches that solve problems better, faster, and cheaper, while
  sideways in critical shipping lanes, to natural disasters like hurricanes and floods, the possible
  states. From deliberate acts like terrorism, to inadvertent events like large ships drifting
  climate change, supply chain disruptions, organized criminal activity, and adversarial nation
  actively dealing with a global pandemic, mass shootings, foreign and domestic terrorism,
  The threat landscape facing our nation and world is complex, varied, and dynamic. We are
