There are related and complementary skills and expertise at the different centers, and we
works because we have more than enough challenges to fill our plates, we have a strong and
knowledge, experience, ability, and imagination, all focused on the problems faced by DHS,
investment. A microcosm of this approach is the DHS Center of Excellence program. This
consideration, open minds, leadership, focus, diligence, discipline, persistence, and
addressing risks not yet realized. So how do we tackle this daunting spikey ball of challenges?

The threat landscape facing our nation and world is complex, varied, and dynamic. We are
states. From deliberate acts like terrorism, to inadvertent events like large ships drifting
