FIRST+ YEAR FIRST+ AID

First-Year First Aid - August 12-14

Have some last-minute business to handle before saying goodbye to your Tiger? First-Year First Aid is an event for students and their families to stop by the first floor of the Union during Move-In to take care of any needs and get your questions answered.

You'll have the chance to speak with Parent & Family Programs, Campus Federal Credit Union, Disability Services, Financial Aid & Scholarships, LSU Dining, Parking & Transportation Services, the Student Health Center, Tiger Card Office, Transition & Student Success, and UPS Store. [Click here](#) to view the hours, locations, and offices that will be available on each move-in day.

Attention Families of First-Year Tigers

Welcome Week serves as the final part of your student's orientation to LSU and signifies the start of the fall semester. During Welcome Week, your Tiger will become acclimated to campus and gain tips and tools to prepare them for their first day of class on Monday, August 22. Attendance is mandatory for all members of the Class of 2026. Visit lsu.edu/welcomeweek for the most up-to-date information about this very impactful program.

A NOTE FROM THE VICE PRESIDENT

Dear LSU families,

We look forward to welcoming the LSU Class of 2026 to campus for [Move-in](#) this weekend. Whether your student is among the newest

additions to the Tiger family or they are counting down to graduation, the entire LSU faculty and staff community stand ready to assist them as they pursue their academic and career goals. Also, regardless of where your student is in their LSU journey, we are eager to establish or continue our relationship with *you* as partners in their success.

We know a solid partnership with you is critical to your student's LSU experience. Family support matters—but not so much support that students are not empowered to stand on their own. While their journey to independence might not be complete, we hope we can work together to transition them to a mindset of interdependence, where they become their own best advocates, navigate complexity, make important decisions, and take responsibility for their success. Your support is vital during this transition time, but it might look different than in the past. If you have concerns about their health or safety, please contact us directly and as soon as possible. We will work with you to connect them to the appropriate resources. However, as they handle roommate conflicts, forge relationships with professors, learn from conduct situations, or navigate other facets of the university experience, we encourage you to empower them to take the lead. This will allow them to create invaluable interpersonal skills. We also hope you will frequently remind them what is in their control to solve. We are ready, willing, and able to support them as they develop this skill set.

Finally, I wanted to provide you with a [pdf version](#) of the book “Becoming a Learner.” This is a quick read, but it is a treasure trove of wisdom about making the most of one's college experience. This book serves as the framework for our [Welcome Week](#) experience (August 14-21) and for multiple experiences your student will encounter during the year.

We couldn't be more excited for the beginning of a new academic year—and we are so glad you and your student are members of the LSU family.

Geaux Tigers!
Jeremiah Shinn, Ph.D.
Vice President for Student Affairs

WORDS OF WISDOM

Upperclassmen Tiger Families are invited to share your Words of Wisdom with new Tiger families. [Fill out this short form](#) to share what you wish you would have known as your student began school at LSU.

Each upcoming Wednesday, we will be sharing these tips on our [LSU Parent & Family Programs Facebook page](#).

Here's a preview of some of the advice that Laticia Khalif, mom of an LSU grad from Alpharetta, GA shared:

"Be happy for your New Tiger. This is not a time to be sad. Rather, reflect back on your collegiate years, the lasting friendships you made, and the wonderful memories you still cherish. Then, be grateful that your child has the same opportunity to experience all of that (and more) as well. Be there for your Tiger, but let them learn to navigate their own life, make their own mistakes, and then figure out how to succeed on their journey that is destined only for them."

SUMMER COMMENCEMENT

Summer Commencement will be held tomorrow, August 12. Congratulations to all of our August LSU Graduates and their families! For more information, visit lsu.edu/commencement.
