

ANP's Website Provides A Quick, Lighting Calculation Tool

- Will the luminaire you've selected provide the appropriate lighting levels for your project?
 - How do you quickly get the answer to this question?
- It's easy, with ANP Lighting's "DESIGN A CUSTOM LAYOUT" application on our website.

Exterior Lighting Layout

Interior Lighting Layout

See Your Results Immediately!

- From the product page, click the appropriate layout tab.
- Select the luminaire catalog number from drop down list.
- Determine light loss factor.
- For outdoor projects, define the layout and mounting height.
- For indoor projects, define the space geometry, the luminaire layout and mounting height.
