As a reminder, business rentals need to go through Concur or Balboa Travel to rented vehicle either for business or personal travel.

Rental car agencies continue to be impacted by the COVID-19 pandemic. As a result, renters will now need to show UC identification when picking up a car.

---

Rental Car Reminder

Looking for SWABIZ? UC travelers love Southwest Airlines and can access the website directly. Booking your Southwest ticket in advance ensures you're accustomed to, a central payment card in place (no out-of-pocket expenses) and with the added support of Balboa Travel should you need it.

For the Procure-to-Pay and Travel & Expense spaces, there will be a chance to participate in Q&A at the end.

Join the IPPS Team for the next session of Hot Topics! This session will focus on financial support and reconciliation strategies between GL and Accounts Receivable, Cash, & PPM Office Hours. Be sure to try out the different calendar views in the upper right corner!

Recorded Accounts Receivable, Cash, & PPM Office Hours

This week, we will be discussing reconciliation strategies between GL and Accounts Receivable, Cash, & PPM Office Hours. For more information, please refer to the Oracle Redwood Quick Start Guide.

Additional resources to prepare you for Oracle Redwood include the Navigator Drawer Feature, which allows users to access frequently used applications with a single click.

Oracle Redwood Quick Start Guide

1. As a user opens a drawer, the system will remember their most recently used applications and options.
2. The drawer can be customized to include only the applications and options relevant to the user's role.
3. Users can add their own applications and options to the drawer, giving them quick access to the information they need.

To see the Oracle Redwood preview, visit the Oracle Redwood UI Blink Page or the Oracle Redwood UI Information Session to get a firsthand glimpse into the new Oracle theme, set to launch January 2022! To prepare for the launch, please refer to the Oracle Redwood UI Blink Page.

* You can view the upcoming Oracle Redwood UI changes in the Oracle Test Non-Production Environment.

Non-Production Environment - VPN and SSO are required. Since this is a test environment, data may not be the same as in production. If you experience any issues, please contact your Oracle Redwood partner.

Oracle Redwood Preview Session

For the Oracle Redwood Preview Session, we recommend having the latest version of Oracle Redwood installed on your computer. After the session, you will be able to log in to the Oracle Redwood Preview Environment. To register for the session, visit the Oracle Redwood UI Blink Page.
