This is a great option for personal travel! From your Concur homepage, click on the SWABIZ direct booking site to book your ticket. The SWABIZ flights are exclusive to UC travelers, and you can access them directly in Concur. Booking your Southwest ticket in Concur will also ensure that you have all the necessary travel information and assistance when you need it.

Rental Car Reminder

Personal rentals must go through Connexxus to ensure our negotiated rates and insurance coverage. As a reminder, business rentals need to go through Concur or Balboa Travel to ensure compliance with our policies. Renters will now need to show UC identification when picking up a rental car. This is a simple process, and we appreciate your cooperation to maintain the security of our vehicles.

Oracle Redwood Preview Session

Looking for SWABIZ? UC travelers love Southwest Airlines and can access the SWABIZ flights directly in Concur. Booking your Southwest ticket in Concur will also ensure that you have all the necessary travel information and assistance when you need it.

Join the IPPS Team for the next session of Hot Topics! This session will focus on the reconciliation process. We will provide an overview of the reconciliation process and address any questions or concerns related to the topics discussed or anything else that might be of interest to the community.

Oracle Redwood Quick Start Guide

As part of the new Oracle Redwood UI launching January 19, you have 4 days left to apply! If you have already applied during the September round of applications and are still interested in participating, you can update your application and select courses. Additionally, we are looking to support as many course interests as possible, so please keep an eye out for a question that offers the option to select your interest in one of the many available courses.

Oracle Redwood UI Blink Page

If you or your teams have created local training materials, be sure to share them with us! We appreciate your contributions and look forward to using them in our training sessions. If you need any help with your training materials, please let us know, and we will be happy to assist you.

Tips & Tracks

Oracle Redwood UI Blink Page

Here is a tool for you to digest the information in a more concise form. If your organization is using Oracle Redwood, you can access the Blink page for a consolidated view of your environment. Visit the Oracle Redwood UI Blink Page here.

Oracle Test Non-Production Environment

If you or your teams have created local training materials, be sure to share them with us! We appreciate your contributions and look forward to using them in our training sessions. If you need any help with your training materials, please let us know, and we will be happy to assist you.

Non-Production Environment - VPN and SSO are required. Since this is a test environment, data may not be the same as in production. If you experience any issues during login, you can request access support by emailing financesupport@ucsd.edu.

Oracle Production Environment

Update accordingly if you or your teams have created local training materials. We appreciate your contributions and look forward to using them in our training sessions. If you need any help with your training materials, please let us know, and we will be happy to assist you.

Oracle Redwood Preview Session

You have 4 days left to apply! If you are interested in starting in Spring or Summer Quarter, we encourage you to apply. If you have an existing pending FP Closeout request, please complete the new Fixed Price (FP) Financial Closeout Process, including Sponsor Initiated Clinical Trials with residual balances. This process did not run successfully after the October 1 range was applied.

Financial Accounting Program: Winter Quarter Application Closing Soon

For the Winter Quarter, there is currently an active Financial Accounting Program. The application deadline is on Friday, November 19, 2021, at 9:00 am. If you are interested in participating, you must complete the application by this date. Additionally, we are offering a partial scholarship for the Winter Quarter course. Please apply soon to secure your spot.
