Join the IPPS Team for the next session of Hot Topics! This session will focus on how best to prepare your transactions to meet the calendar year deadlines related to the topics discussed or anything else that might be of interest to the PPM. We will dive into activities, reports, approaches, timing and more, all to make sure your questions ready.

This week, we will be discussing reconciliation strategies between GL and the Oracle Redwood Preview Session, a glimpse into the new Oracle theme, set to launch January 2022! To prepare for this, we encourage you to look at the Oracle Test Non-Production Environment, data may not be the same as in production. If you experience any issues, please contact your IT partner. You can view the upcoming Oracle Redwood UI changes in the Oracle Test Non-Production Environment.
